## **City of Columbus Street Sweeping Schedule For July 18-29**

Department of Public Service street sweeping crews are scheduled to sweep streets in the areas listed below during the week of July 18-22. The schedule also provides a preview of areas scheduled to be swept the following week of July 25-29. The street sweeping schedule is subject to change due to weather, emergencies requiring Street Maintenance personnel to be reassigned or equipment maintenance.

The city of Columbus asks residents in neighborhoods in these areas to move their parked cars off the street before the sweeping date to allow street sweeping crews room to clean streets.

The City sweeps only streets with curbs. The purpose of sweeping streets is to remove dirt, litter and debris from curbs to prevent the materials from being washed by rain into storm sewers. Litter and debris washed into storm sewers subsequently is carried to our waterways.

Contact the city of Columbus 311 Customer Service Center at 311 or 645-3111 or online at [www.311.columbus.gov](http://www.311.columbus.gov) for general information about street sweeping in Columbus.
